FROM THE FOUNDER'S DESK

A Note from Our Founder

**Mr. Suresh Agarwal**

Founder

DEAR PARENTS,

Every September, I am reminded that a school is not built by one person, but sustained by many hands working toward the same quiet purpose: helping a child become who they are meant to be. This month gave us plenty of proof of that. Our faculty grew sharper in their craft, our students reached further on the field and in competition halls, and our youngest learners discovered the joy of festivals that connect them to something larger than themselves.

I have always believed that the measure of a school is not in any single achievement, but in the culture it builds, one where teachers keep learning, students keep stretching beyond what feels comfortable, and every small win belongs to the whole community. Whether it was a classroom workshop, a tennis court in another city, or a kindergarten room dressed up for Janmashtami, September showed me that culture alive and well at CCIS Green Campus.

As we move into the second half of this academic year, my hope remains the same as it has been since the day we opened these gates: that every child who walks through them leaves a little more curious, a little more confident, and a little more themselves than when they arrived. Thank you, as always, for trusting us with that journey.

*Warm regards,***Mr. Suresh Agarwal**

P.S. Keep an eye out for our new Mexican Cultural Immersion Programme, conducted online, launching soon with our guest Juan Pablo. Details to follow.

A DAY OF JOY AND TOGETHERNESS

Teachers' Day Celebration

Teachers' Day was celebrated with great enthusiasm and warmth, giving our teachers a wonderful chance to relax, connect, and celebrate the spirit of togetherness. The day was filled with laughter, creativity, and activities that brought out the fun and innovative side of our educators.

One highlight was the creative activity "**Best Out of Waste**," where teachers showcased their imagination and teamwork by designing outfits entirely from newspaper. A series of games and fun challenges followed, keeping the atmosphere lively right through to a presentation of certificates and thoughtful gifts, a token of appreciation for the dedication our teachers bring every day. A delightful lunch rounded off a truly memorable occasion.

PROFESSIONAL DEVELOPMENT • ONGOING SERIES

The Learning Design Hub

A meaningful workshop conducted by our Principal for the teaching faculty, strengthening effective teaching practices and student-centred learning. Sessions explored collaborative learning, class norms, activity-based learning, and designing impactful lesson plans, with special emphasis on clear Learning Objectives and Bloom's Taxonomy, so classroom instruction builds higher-order thinking, not just knowledge. Teachers left with practical ways to make learning more purposeful, interactive, and outcome-oriented, fostering curiosity, creativity, collaboration, and critical thinking in their students.

THIS MONTH'S MOMENTS

Recognition & New Ground

IIHM Teachers Day Awards 2026

At Cosmos Castle International School Green Campus, we believe meaningful education begins with people who lead with purpose and teach with heart. This year, we proudly celebrate two of our own: **Mrs. Tanu Mangla**, honoured as Principal Par Excellence, and **Mrs. Rita Khanna**, honoured as Teacher Par Excellence, at the IIHM Teachers Day Awards 2026.

Learning, Even While Leading

Our Director - Strategy, Ms. Aashima Agarwal, represented CCIS Green Campus at the ARISE Learning Festival 2026 in New Delhi, held with FICCI under the theme "Connected Schools, Building Communities, Inspiring Futures," with masterclasses on teacher development, school leadership, and AI adoption.

A Visitor from Mexico

Our guest Juan Pablo spent a couple of days on campus, teaching bagpipes and drums, sharing an overview of his home country, and spending time with our kindergarten learners. We're launching an online Mexican Cultural Immersion Programme with him soon.

CHARTING THE ROAD AHEAD

Career Corner

Discovering Possibilities, Shaping Futures

CCIS Green Campus hosted an engaging Career Counselling and Mindfulness Session for Grades VIII to XII with Mr. Sachin Bhatnagar. Students explored their interests, strengths, and career pathways, beyond the conventional choices, and also took part in meditation, experiencing the calmness, focus, and emotional balance that help in navigating academic pressure and making thoughtful decisions.

Career Cluster Presentations

Grades 9 and 10 presented their Career Cluster research, covering roles, pathways, qualifications, salary prospects, and emerging opportunities, sharpening their research, teamwork, and public-speaking skills along the way.

Beyond the Conventional

The initiative encouraged students to look past familiar career choices and make informed, future-ready decisions, closing out the project first announced back in August.

A MONTH ON THE PODIUM

Champions of September

State-level tennis and zonal kabaddi brought four team podiums home this month.

KINDERGARTEN CORNER

Festive Days, Little Hands

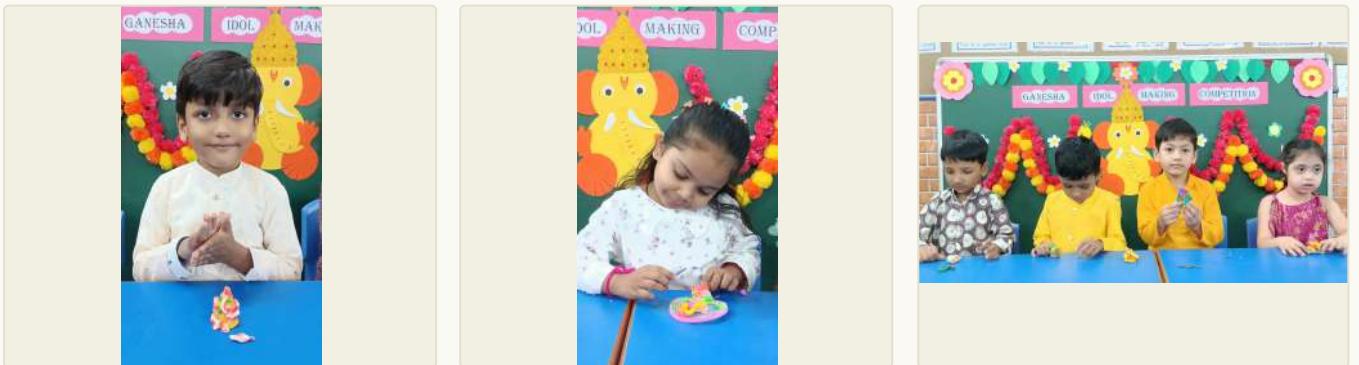

Janmashtami Celebration

On 3 September, our Pre-Primary, Grade 1 and 2 learners stepped into a world of colour, music, and tradition. Dressed as Little Krishnas and Radhas, our tiny tots discovered the story of Lord Krishna through music, dance, and festive presentations, a joyful introduction to India's rich cultural heritage.

Ganesh Chaturthi: Idol Making

Our kindergarten artists got hands-on with clay for Ganesh Chaturthi, shaping their own Ganesha idols with care and imagination. Beyond the fun of it, the activity built fine motor skills, patience, and an early sense of cultural appreciation, a joyful and meaningful experience for our little ones.

THE BIGGEST EVENT OF THE YEAR

Kalrav 3.0: Annual Convocation

With the Half-Yearly Examinations now behind us, the energy at CCIS Green Campus hasn't slowed down, if anything, it has grown. Rehearsals are underway, performances are being polished, and our senior students are busy preparing for **Kalrav 3.0**, our Annual Convocation and one of the biggest events on our school calendar. There is a lot happening on campus right now, the school is as busy and lively as ever.

Themed "**Celebrating Dreams, Aspirations & Career Journeys**," Kalrav 3.0 will be held on **Saturday, 31 October 2026**, from 2:00 PM to 6:00 PM, at the Pandit Deen Dayal Upadhyay Auditorium, Rajpath Rangoli Road, Ahmedabad.

The evening will be a special celebration of our graduating students as they step toward their dreams and future goals, with career guidance from mentor Mr. Sachin Bhatnagar, the Academic Excellence and 100% Attendance Awards, and a Navras-inspired cultural showcase alongside special sports and cultural performances by our young scholars.

As the invitation puts it: **Together Towards Tomorrow**. We can't wait to welcome you.
